

MATT YORK BAND TECH RIDER 2011

This document, if followed, will result in an awesome show for you and the wonderful people who frequent your venue. We love playing music, but we love it even more when our fans can hear us properly and we can hear each other.

We've been doing this a long time and we understand that not everything can be accomplished. Sometimes, substitutions must be made and that's cool, we just need to know. If anything below needs to be changed, or if you have any questions please get in touch with Matt York directly at matt@matt-york.com or by calling **416 735 5259**. Thanks in advance for your cooperation. We're looking forward to bringing down the house.
